

24 October 2019

## **QUARTERLY ACTIVITIES REPORT FOR THE PERIOD ENDED 30 SEPTEMBER 2019**

### **COMPANY OVERVIEW**

Aurora Uranium, through its wholly owned US subsidiary Oregon Energy LLC, holds 100% of the Aurora Uranium Project, which is a volcanic-hosted uranium deposit located in southeast Oregon, USA.

The Company's Annual General Meeting will be held on Thursday, 21 November at the registered office address of Suite 1, 245 Churchill Avenue, Subiaco.

Post quarter end, the Company released its 2019 Annual Report, a copy of which can be found [here](#).

Financial year 2019 for Aurora Uranium continued in the same manner as previous years, running a minimalist operation that limited expenditure to the bare minimum to maintain a 100% interest in the Aurora Uranium Project and operations of an unlisted public company.

The Company realised \$7k in the quarter through the sale of listed investments and anticipates selling further amounts in future periods to continue to fund operations. All Aurora Uranium Project tenements held in the US were renewed in the quarter for a further year.

**Mr Bill Fry**  
**Executive Director**
