### **EXPIRY OF OPTION AGREEMENT**

Aurora Uranium Limited (“Aurora”) provides an update on the Option Agreement announced on 9 June 2020 with ASX listed Superior Lake Resources (“Superior”) (ASX:SUP).

The Option Agreement provided Superior with a 3-month exclusivity period for them to complete an acquisition of the Aurora Uranium Project (“Aurora Project”) located in Oregon, USA.

Aurora advises that the exclusivity period has lapsed without a transaction with Superior being completed. Aurora had received a non-refundable deposit of \$30,000 in consideration for providing the exclusive option period. Accordingly, the Company is now free to pursue other transactions to maximise the value of the Aurora Project for Aurora’s shareholders.

Aurora will update shareholders through announcements on our website and emails to our mailing list.
